Remark by the SNOWMAN Call Steering Committee

Timely delivery of this *Status Report and the requested deliverables* to the SNOWMAN Call Secretariat will be interpreted as fulfilment of the requirement for a Status Report as announced by the Call Steering Committee with approval of the midterm report for this SNOWMAN research project. Nevertheless, the involved funding organisations may contact the project consortium separately regarding the deliverables submitted with this Status Report.

The Call Steering Committee reserves a right for an overall SNOWMAN comment regarding this Status Report to be communicated via the Call Secretariat.

Section 1 – Overall time planning of the project

- Original GANTT chart of the project (same scale as updated GANTT chart below):
- Updated GANTT chart of the project (status 30.09.08; same scale as original GANTT chart above):
- Remarks regarding changes to the original GANTT chart and the related tasks:

Section 2 – Deviations to the work plan

- Deviations from the project work programme, and corrective actions taken/suggested: identify the nature and the reason for the problem, identify contractors involved
- Deviated action causing threats to timely finalisation of the project; proposals for solving these threats within the project duration

Section 3 – Deliverables

- List of deliverables finalised and attached to this report:
- Remarks regarding the content of the deliverables and/or changes to the content originally planned:
- Contractors: Comments regarding contributions, changes in responsibilities and changes to consortium itself, if any:
